Amendment

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Enclosed is a response to the Office Action mailed June 25, 2002, for the above-identified patent application.

No additional claim fee is required.

IN THE CLAIMS:

Please cancel claims 1-11 and 13-15 without prejudice or disclaimer of the subject matter contained therein.

Please amend claim 12 as follows:

12. (Amended) A method for minimizing the production of TNF- α caused by an inflammatory response in a patient comprising administering a locally effective TNF- α lowering amount of bioactive glass particles with a size less than about 20 μ m to the patient.

Please add new claims 16-25 as follows:

16. (New) The method of claim 12 wherein the locally effective TNF- α lowering amount of bioactive glass particles is administered by intraperitoneal injection.
